IMPORTANT INFO: All pages listed on the rubric must be complete by Thursday 9/27/2018. Work was assigned between 8/20/18 and 9/21/18. Absent work for SSNB is not excused. **The class has this rubric of requirements 3 days before the check.** Missing something? Ask before due date. Late social studies notebooks will not be accepted for any reason. Extra time has already been provided. If you are absent on the due date, turn it in upon your return. It is your responsibility. Furthermore, pages/handouts must be attached (glued, taped, or stapled) onto the notebook page. Class time and materials are always provided for this, so there is no excuse. Finally, assignments not only need to be completed, but they need to be done correctly in order to receive credit.
