## SWBST Notes

\* Format to use when writing an objective (no opinions) summary about a narrative (story)

Somebody: character

Wanted: what the character wanted/needed/desired/etc.

But: ((however)) who or what was stopping the character from what was wanted

So: \*how the character attempts to overcome the problem  
\*complications/set backs

Then: \*most exciting part, where the character will face the problem  
\*outcome - problem is solved one way or another
